

Everything

After 7

Lately... I have got none of your lovin'
Looks to be... one of us has got to be frontin'
You probably think my heart is made of bad intentions
But you know me... I'll never you feeling empty
'Cause you know you're all that I want

All I want is your love
All I want is your touch
Baby please, release to me
Everything, you're everything

All I want is your love
All I want is your touch
Baby please, release to me
Everything, you're everything

Baby, you don't want none of my lovin', oh, yeah
Telling me I be pushing all your buttons
But baby I've wanted, I know
You probably think my heart is made of bad intentions, yeah
But you know me... I'll never leave you feeling empty
'Cause you know you're all that I want

All I want is your love
All I want is your touch
Baby please, release to me
Everything, you're everything

All I want is your love
All I want is your touch
Baby please, release to me
Everything, you're everything

I don't want you teasing me, playing with my heart
Girl, it's hard, yeah
All I want is you facing me, right here where we are
I promise that I'm playing my part so you can give all of your love, baby

All I want is your love
All I want is your touch
Baby please, release to me
Everything, you're everything

All I want is your love
All I want is your touch
Baby please, release to me
Everything, you're everything

All I want is your sweet love
All I need is your sweet touch
All I want, you babe, right now, right now
I want, you babe, I got to have you baby

I got to have you baby, I got to have you, baby...
