

## Kickin' It

After 7

When I look in your eyes I see a reflection of me  
Being there for you whenever you need me  
I cant describe my soul feelin' so deep for you girl it's like  
a dream come  
True  
You are my everything

I wont ever leave you, or desert you  
I wont risk the good things that we have in life , oh girl  
Its important to me, for you to trust me baby  
Cause I'm givin' my all and all to you right now  
Just right, tonight, I wanna love you down

I'll never ever leave you alone and confused  
That's one thing that you'll never have to think twice about ba  
by  
Don't mind kickin' it with you (kickin' it with you)

But lately I been thinkin' your the only one that's right for m  
e

Your my girl, and I cant see myself givin' you to somebody else  
Its so impossible  
Whenever you need a friend  
I'll be there to the end  
I'm the way I am and your just stuck with me girl

You know it's true  
Cause for you, I wanna do most everything  
Oh girl you've got my heart, in the palm of your hand  
I've been waiting for the right time to show you how I feel  
Tonight, just right, I wanna love you down

But lately I been thinkin' your the only one that's right for m
