Perverted monks style '99 style, know what I'm sayin'? Comin' at cha, this how we do Paraplegic, my fightin' stance, too strategic No shadows on my kicks too much chi-horrific To be specific, I'm comin' threw with Jiu-Jitsu Bone crushin' bone breakin' as I get into Scorpion styles, with the speed of a cheetah Hit your pressure points with light skills, I be The blaster, iron palms is elemental Combinations damagin' nations in the mental Cerebral cortex is obsolete You'll die ten times if you try to test me Taoist master, rhyme style disaster Studied on the cliffs of mountains readin' scrolls Holdin' it down, iron shirt chi-gung Apprentice in the temple with guang-jung-nim I went through torture deadly styles I'm the author Ingested metals, yeah they made me supernova Triple spinnin' kicks, side kicks, and hook kicks They come much iller, so you must be Masta Killa It's Afu, change my style, change the weather It's Afu, change your mind, just too clever It's Afu, all the weak styles I sever Combinin' two styles on the Mic with Masta Killa The great ones have searched for the righteous data To show and prove and master the separation of matter And seein' through death, never loose conscious of self Shed a shell keep it movin' factor Sword swing it to the temple, mental state Danger chamber, eighth yang slang, Wu-Tang Train private soldiers in this rap game Like that shanghai chinky eyed chick from Bedstuy Wang Chung from Lafayette, stuy versant and Malcolm X Fifty seven park, it might spark, it's the heart One blood cell, featurin' Masta Kill After dark he goes, bust gone, trust none, touch one Young Chun, prodigal son, killa bees disease Home grown, flown from over seas, city under siege Ya eyes bleed, the weed got 'em red dread Like spinnin' roundhouse kicks to the head, he dead It's Afu, change my style, change the weather It's Afu, change your mind, just too clever It's Afu, all the weak styles I sever Combinin' two styles on the Mic with Masta Killa It's Afu, change my style, change the weather It's Afu, change your mind, just too clever It's Afu, all the weak styles I sever Combinin' two styles on the Mic with Masta Killa
