

## Enough

Agathocles

You always told me what to do  
but I've had enough, enough of you  
I can't take it anymore  
You make my head feel fucking sore

What's going on in my fucked up mind  
What's going wrong in my fucked up mind

Put a gun to your head  
and blow your skull full with lead  
pull the trigger again and again  
that's when I'll be smiling again

What's going on in my fucked up mind  
What's going wrong in my fucked up mind
