Genesis now we're to stay Our evelution stunted Earth betrayed Trapped inside this mortal cage Repelling masses now your soul's in rage You're all Guilty as charged... Guilty as charged Eyes of fire stare into space Carcass showing shadows grey Living in the final age You're falling in, in the hands of fate You're all Guilty as charged... Guilty as charged In the beginning the universe fell Emanating the formula DNA the fraction 2/3rds The number 23 Now we have one Adam and Eve before the jury of the Council And she's been given her final verdict Guilty as charged Now you've become one of them Nobody cares at all they'll never win Lakes of fire forged in hate Prepared for, for the skeptics race You're all Guilty as charged... Guilty as charged
