

## Still Searchin'

Agent Steel

I'm staring In your eyes  
Your heart's like a wall,  
Only catching a glimpse  
A spark through the haze,  
Sirens singing a song  
The lonely to know,  
Reaching out, the grains of sand  
Slip through my fingers...

SEARCHIN'. SEARCHIN', SEARCHIN'. SEARCHIN'  
I'M STILL, SEARCHIN'  
SEARCHIN'. SEARCHIN', SEARCHIN'. SEARCHIN'

Trying to heal from the wound you left on my soul  
Your heart's been changed to black,  
I gave my life, you took all the chances  
They put your sword through my heart...

SEARCHIN'. SEARCHIN', SEARCHIN'. SEARCHIN'  
I'M STILL, SEARCHIN'  
SEARCHIN'. SEARCHIN', SEARCHIN'. SEARCHIN'

Time pays back three folds over  
I'm Still Searchin'... Searchin' for you...

Now the Spy, the Traveler  
Searchin' the land  
Changing nightmares into dreams,  
This song is signaling  
Awaits a heart that's true,  
To find that someone who'll stay...

SEARCHIN'. SEARCHIN', SEARCHIN'. SEARCHIN'  
I'M STILL, SEARCHIN'  
SEARCHIN'. SEARCHIN', SEARCHIN'. SEARCHIN'

Time pays back three folds over,  
I'm Still Searchin' for you...  
Still Searchin'... Searchin for you...
