

A Wise Man

Agnostic Front

He was friend who meant the world to me
A man of honor and integrity
Gave me the knowledge that I'll never forget
The morals in my life that I set

A wise man once said to me
Keep your friends close
But stay closer to your enemies
A wise man once said to me
Keep your mouth shut
Never turn on your family

There's nothing more
Nothing more important than family
There's nothing more
There's nothing more important to a man
Than his family
There's nothing more

[Chorus]

I'll pray - for you, my friend
I'll see you on the other side
I will, old friend, I'll see you
I'll see you on the other side
