

Change Your Ways

Agnostic Front

Your Actions, Have only caused you pain
Hatred, is flowing Through your veins

You always complain I can't explain it
your're going insane Another victim in pain

Change! Your! Ways! Gotta get away!
Change! Your! Ways! Gotta change your ways!

Bullshit, I just don't believe
Nothing, Is what you'll get from me

You always complain I can't explain it
your're going insane Another victim in pain!
