

# Forgive Me Mother

Agnostic Front

Always did what I had to  
To raise my family  
I was living by the gun  
Seems like I hurt everyone  
Strayed away from my beliefs  
Now I feel the shame  
Living a life of crime  
Now it's my turn to pay

Locked down!  
Forgive me mother!

I, know that I was wrong  
I'm locked down in this cell  
Now I'm doing time  
In this living hell

Doing time behind these bars  
Can't seem to trust no one  
These walls  
Have made me strong  
I'm twice the man I was  
Every day's a fight  
A struggle to survive  
But I see the light  
I'm walking out alive!

I, know that I was wrong  
I'm locked down in this cell  
Now I'm doing time  
In this living hell  
Locked down  
Behind these bars  
In here all alone  
I know that I fucked up  
I knew right from wrong
