

Death By Stereo

Agonoize

Come on and play
Come on and dance
The sing a song for bad romance
So move your feet
And dance to this track
You better do
'Cause Agonoize is back

Boom boom boom
There's a blood on the dance floor
The ???
Death by stereo
Boom boom boom
Like the sound of a gun
We keep the mass
And we finally just begun

Boom boom boom
There's a war on the dance floor
Forget and dance like never before
Boom boom boom
There's a war on the dance floor
Forget and dance like never before

War on the dance floor
War on the dance floor
War on the dance floor
Death by stereo

Come and play
Come and dance
You want it more
Here is your chance
So move your ass
And dance to this track
Straight in your face
The godfathers are back

Boom boom boom
There's a blood on the dance floor
The ???
Death by stereo
Boom boom boom
As sound of a gun
You ??? it we fight it
Forever and ever

Boom boom boom
There's a war on the dance floor
Forget and dance like never before
Boom boom boom
There's a war on the dance floor
Forget and dance like never before

War on the dance floor
War on the dance floor
War on the dance floor

Death by stereo

Come on and play
Come on and dance

So move your feet
And dance to this track
You better do
'Cause Agonoize is back
