

# Believe

Aiden

Lying face down, lying face down, in the gutter now, so damn proud.

Well I know, I know, I know, it's my fault, it's my fault.  
(2x)

In a world where we all just waste away and suffer,  
In a place you cry for today.

(We're all going mad.)

Believe, believe, believe in me.  
I will follow.  
(2x)

Lying face down, lying face down, in the underground, so damn proud.  
Well I know, I know, I know, it's my fault, it's my fault.

In a world where we all just waste away and suffer,  
In a place you cry for today.

(We're all being brainwashed)

Believe, believe, believe in me.  
I will follow.  
(4x)

Love, silence, and fade away.  
Darkness, darkness, and decay.  
A scarlet kiss and what to say.  
Darkness, darkness, and decay.  
(2x)

Believe, believe, believe in me.  
Believe, believe, believe in me.

Believe, believe, believe in me.  
I will follow.  
(3x)

Believe, believe, believe in me.
