Ghost World

Aimee Mann

Finals blew, I barely knew My graduation speech And with college out of reach If I don't find a job It's down to Dad and Myrtle Beach

So I'm bailing this town Or tearing it down Or probably more like hanging around Hanging around

Everyone I know is acting weird Or way too cool They hang out by the pool So I just read a lot and ride my bike Around the school

'Cause I'm bailing this town Or tearing it down Or probably more like hanging around Hanging around

And all that I need now is someone With the brains and the know-how To tell me what I want... anyhow

12th of June, a gibbous Moon Was this the longest day? I'll walk down to the bay And jump off of the dock and watch The summer waste away

Then I'm bailing this town Or tearing it down Or probably more like hanging around

Then I'm bailing this town Or tearing it down Or probably more like hanging around

Hanging around Hanging around So tell me what I want
