Winter Wonderland

Aimee Mann

Sleigh bells ring, are you listening? In the lane, snow is glistening A beautiful sight, we're happy tonight Walking in a winter wonderland

Gone away is the bluebird Here to stay is a new bird He sings a love song as we go along Walking in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?", we'll say, "No man
But you can do the job when you're in town"

Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland

Over the ground lies a mantle of white A heaven of diamond shine down through the night Two hearts are thrilling in spite of the chill in the weather

Love knows no season, love knows no clime Romance can blossom any old time Here in the open we are walking and hoping together

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?", we'll say, "No man
But you can do the job when you're in town"

Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland
