

# Son of Sorvahr

Aina

Syrius! (3x)

All behold- my masterpiece shines  
He'll take control and blur all the lines

All bow down - he plan is complete  
He'll wear the crown and taste of the sweet  
Our wondrous dawning is nigh  
Now sing out his song to the sky!

Praise unto the Child of Darkness  
Soon the Hand will strike out again  
Praise unto the Son of Sorvahr  
Destiny's spoken  
We'll ride out to rule again

Syrius! (3x)

Hear me now, his name rings out proud  
And Syrius will shake all the ground

Reign supreme, will our little Master  
Lead the team to crush all the bastards  
Our wondrous dawning is nigh  
Now sing out his song to the sky!

All behold- my masterpiece shines!

[Chorus]
