

# Every Woman in the World

Air Supply

Overnight scenes, dinner and wine, Saturday girls  
I was never in love, never had the time  
In my hustle and hurry world  
Laughing myself to sleep, waking up lonely  
I needed someone to hold me, oh

It's such a crazy old town, it can drag you down till you run out of dreams  
So you party all night to the music and lights  
But you don't know what happiness means  
I was dancing in the dark with strangers  
No love around me when suddenly you found me, oh

Girl you're every woman in the world to me  
You're my fantasy, you're my reality  
Girl you're every woman in the world to me  
You're everything I need  
You're everything to me, oh girl

Everything good, everything fine, that's what you are  
So put your hand in mine and together we'll climb  
As high as the highest star  
I'm living a lifetime in every minute that we're together  
And I'll stand right here forever, oh

Girl you're every woman in the world to me  
You're my fantasy, you're my reality  
Girl you're every woman in the world to me  
You're everything I need  
You're everything to me, oh girl

Girl you're every woman in the world to me  
You're my fantasy, you're my reality  
Girl you're every woman in the world to me  
You're everything I need, you're everything to me

Girl you're every woman in the world to me  
You're my fantasy, you're my reality  
Girl you're every woman in the world to me  
You're everything I need, you're everything to me
