

Last Man Standing

Airfare

I am the wolfman.
I am the wolfman.
i have come to take what's mine yes.
I had the wolfgirl.
A fever for me
is what she had,
and that's alright.
I had the wolfgirl.
i had the wolfgirl, hell was mine yes.
I had a fever for her.
a fever for her
and that's alright.

Well, i want you to know
that i will be
the last man standing
on my own
