

Boy and a Man

AJ McLean

Baby I know that you're lookin' for Mr. Right
I ain't saying I'm him but I'm willing to give it an honest try
Maybe you could meet me in the middle and
Maybe you could give me just a little bit of time
And I'll show you that I want to hold you and make you mine
But I won't stop there, no, I won't

'Cause you deserve better than you've had before
Right now you've got a fellow standing at your door
I'll treat you like a lady, ain't just going to call you baby
Couple kisses and walk away
I ain't playing little games, I'm just trying to say
Girl, that I've got a plan
'Cause I know what you're missing
I'ma show you the difference between a boy and a man
Yeah, I know what you're missing
I'ma show you the difference between a boy and a man
Yes I am

Baby I know you ain't looking for a hit and run
You need someone to hold when the nights getting cold, let me be the one
Ain't no rush we ain't got to hurry no
Take our time, 'cause you ain't got to worry
About me and believe that I got what you need and it meant something
And I won't stop there, no, I won't

'Cause you deserve better than you've had before
Right now you've got a fellow standing at your door
I'll treat you like a lady, ain't just going to call you baby
Couple kisses and walk away
I ain't playing little games, I'm just trying to say
Girl, that I've got a plan
And I know what you're missing
I'ma show you the difference between a boy and a man
Yes I am

And I won't stop there
No, I won't

You deserve better than you've had before
Right now you've got a fellow standing at your door
I'll treat you like a lady, ain't just going to call you baby
Couple kisses and walk away
I ain't playing little games, I'm just trying to say
Girl, that I've got a plan
'Cause I know what you're missing
I'ma show you the difference between a boy and a man
Yeah, I know what you're missing
I'ma show you the difference between a boy and a man
Yes I am

Oh... huh
Mmhmm...
Between a boy and a man
