

Wow, I'm Not Crazy

AJR

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like:
"Wow, I'm not crazy"
(Yeah, yeah, yeah, yeah)

Don't kill me, 'cause I'm just the messenger
I already went and took my temperature
And I'm not sick, I took all my vitamins
Yeah, I'm not sick, I'm just kind of different

Oh, different, so different
They tell us to be different
But no one told me I could go too far
(Yeah, yeah, yeah, yeah)

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like:
"Wow, I'm not crazy" (Ooh)
Frankly, I feel insane
But you say you feel the same
And suddenly it's like:
"Hey, I'm not crazy!"
'Cause when you talk it's like:
"Wow, I'm not crazy"
(Yeah, yeah, yeah, yeah)

Don't kill me, 'cause I'm just the messenger
I've never seen someone quite this strange before
You're just like me, you took all your vitamins
You're just like me, and you take delight in it

Oh, different, so different
They tell us to be different
But no one told me I could go too far
(Yeah, yeah, yeah, yeah)

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like:
"Wow, I'm not crazy" (Ooh)
Frankly, I feel insane
But you say you feel the same
And suddenly it's like:
"Hey, I'm not crazy!"
'Cause when you talk it's like:
"Wow, I'm not crazy"
(Yeah, yeah, yeah, yeah)

When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"
When you talk it's like, "Wow!"

Frankly, I'm scared of clowns
And get-togethers get me down
But when you talk it's like, "Wow!"
"I'm not crazy"
(Yeah, yeah, yeah, yeah)
