

Andale

Akcent

I don't want to say it twice
It's in your eyes
We have the same desire
Even if it's otherwise
You'll be my prize
And nothing else will matter

You can try to run away
You'll hear me say: You're free to choose your way
If this thing is meant to be
Please don't blame me
Just let your spirit free

Andale, andale, andale, anda, anda, andale
Meu amor, meu coração
Apaiixonado de você
Andale, andale, anda, anda, andale
Meu amor, amor, amor, amor, amor...
Andale, andale, andale, anda, anda, andale
Meu amor, meu coração
Apaiixonado de você
Andale, andale, anda, anda, anda, andale
Meu amor, meu coração
Apaiixonado de você

Andale, andale, andale, anda, anda, andale
Meu amor, amor, amor, amor, amor
Andale, andale, andale, anda, anda, andale
Meu amor, meu coração
Apaiixonada de você
