

# Dilemma

Akcent

Come on, come on away away  
come on, come on away away  
come on come on away away  
come on come on away away

I wanna feel love  
Yeah but only with my girl  
Cuz you came around  
And made me want you, mi amor

You kill me, kill me  
I'm gonna die tonight  
You move all of my senses  
With your smileeee

Girl, you're playing with my mind  
Dilemma, Dilemmaa, Dilemmaaa  
Girl, you make me feel so fine  
Dilemma, Dilemmaa, Dilemmaaa

Boy, you're playing with my mind  
Dilemma, Dilemmaa, Dilemmaaa  
Come with me and stay the night  
Dilemmaa, Dilemmaa, Dilemmaaa

There's a mystery  
Hidden deep in your eyes  
One look wasn't enough  
And now I'm hypnotized

You kill me, kill me  
I'm gonna die tonight

You are like the poison  
Mixed with wine

Girl, you're playing with my mind  
Dilemmaa, Dilemmaa, Dilemmaaa  
Girl, you make me feel so fine  
Dilemma, Dilemmaa, Dilemmaaa

Boy, you're playing with my mind  
Dilemmaa, Dilemmaa, Dilemmaaa  
Come with me and stay the night  
Dilemmaa, Dilemmaa, Dilemmaaa  
Hey girl, stay with me  
You're the girl of my fantasy

Hey girl, stay the night  
I'm in troubleeee  
But it feels alright  
Hey, hey boy, hey...  
Girl, you're playing with my mind  
Dilemmaa, Dilemmaa, Dilemmaaa  
Girl, you make me feel so fine  
Dilemmaa, Dilemmaa, Dilemmaaa  
Boy, you're playing with my mind

Dilemma, Dilemmaa, Dilemmaaa  
Come with me and stay the night  
Dilemma, Dilemmaa, Dilemmaaaaa
