

And when I had no room
I made our ? my room
And when I had no supper
My eyes ?
And when I had no eyes
I listened
And when I had no ears
I thought
And when I had no thought
I waited
And when I had no father
I made care my father
When I had no mother
I embraced order
And when I had no friends
I made silence my friend
And when I had no enemy
I opposed my body
And when I had no temple
I made my voice my temple
When I have no priest
My tongue is my guide ?
When I have no needs
Fortune is my need
When I have nothing
Death will be my fortune
