

Say What You Want To

Akron/Family

Say what you want to when you can
Sing when you need to understand
Stand with your feet upon the land
You can never leave 'em, behind
All you ever see, when you wanna see
And you can be what you wanna because
You want all you ever, left on
When you went a way that you wanna go
Now it's a road that you out to know, so
1 2 3 4 5 6
Say, Say, Say, Say
Any any thing you wanna
Any any thing you wanna
It's Ok k Ok k
Every every thing you wanna
Every every thing you wanna
Say, Say, Say Say
