I wanna tell you one last time, all I need Don't want no fussin, don't want no cryin You're everything to me

All I need, all I need, all I need Let me say you're All I need, all I need, all I need

Once over and again for the last time Something very wonderful is on my mind Can I say it twice?

All I need, all I need, all I need All I need, all I need, all I need

We can work it out with no delay
We don't have to fight nor take all day
Hear me now, hear what I say
Hear my plea because

All I need, all I need, all I need I don't need nobody else
All I need, all I need, all I need

All I need, all I need, all I need All I need, all I need, all I need All I need, all I need, all I need
