

## Jesus Will Fix It

Al Green

I know Jesus, He will fix it for you  
For He knows just what to do  
Whenever you pray, let Him have His way  
I know Jesus, He will fix it for you

Jesus, He will fix it for you, yes He will  
He knows just what to do  
Whenever, whenever you pray, let Him have His way  
I know Jesus, He will fix it for you

Let me tell you, let me tell you somethin'  
Jesus, He fixed it for me, yes He did  
He knows, knows just what, what I need

Do you hear me? Whenever you pray  
Let me just tell you let Him have His way  
I know that Jesus, He will fix it, He'll fix for you  
Oh, yes He will

Hey Jesus, Jesus He will fix it, I know that  
Jesus He will fix it, I know that

Jesus He will fix it  
Jesus, He will fix it  
Jesus, He will fix it
