

# Loving You

Al Green

What a beautiful morning  
A happy morning, morning, you see  
Where the Lord has blessed each one  
Each one, even you and me  
I thank the Lord for his goodness  
For he's been my friend  
I thank the Lord for the children  
Now we can walk on in

Well, I'm trying to get to Heaven that way  
Well, I'm trying to get to Heaven that way  
Well, I'm trying to get to Heaven that way  
Loving you  
Keep on loving you

On more thing...

What a beautiful day  
The Lord has whispered something in my ear  
Well, it's nothing sad  
But it's something never ever brings a tear  
I thank the Lord for my time  
He gave unto my friend  
Now I think it's time that we get together  
And walk on in

I'm trying to be good like my Jesus  
See, I'm trying to be good like my Jesus  
Trying to be good like my Jesus  
Loving you  
I can't stop loving you

Trying to get to Heaven that way  
See, I'm trying to get to Heaven that way  
Trying to get to Heaven that way  
Loving you  
I'm gonna keep on loving you

See, I cried when I wouldn't  
I wouldn't take nothing for the man  
There are other times when I don't  
I don't really think I can

(Trying to get to Heaven that way)  
But He's been so good  
(Trying to get to Heaven that way)  
But He's been so good  
Loving you  
Keep on loving  
Let me keep loving  
Keep on loving  
Keep on giving  
Keep on singing  
Keep loving you  
I won't stop  
Even got me feeling like...  
Loving you

I can't stop loving you  
Let me keep loving you  
Keep on loving  
Loving you
