

# Straighten Out Your Life

Al Green

Oh Satan will make you do the wrong thing  
Straighten out Your life in Jesus Name  
You that you will do the real thing  
When you put your life in Jesus Name

No life is wasted when you were reborn  
And it don't really matter what you've done  
Don't be discouraged don't be ashamed

Straighten out your life  
Straighten your your life... that's the one  
Straighten out your life in Jesus Name

Oh, No life is wasted when your reborn  
And it don't really matter what you've done  
Don't be discouraged don't be ashamed

Straighten out your life

Ah you see it clear, You feel the change  
(Straighten out Your Life in Jesus Name)
