

# What You Do To Me

Al Jarreau

Come a little closer  
Baby I don't want a thing to block the view  
Hey, I'm on a natural high  
And I get this way each time I look at you  
I'm on a cloud  
Not coming down...  
I'm a new man when I'm around you  
Girl, anticipate  
Each new day  
'Cause I know  
I'm gonna spend my time with you

Ooo, what you do to me baby  
The little things you do keep me loving me you  
Ooo, what you do to me baby  
Everyday together just gets better

Lord, it's some kind of magic  
That excites me 'bout the things you do and say  
I just can't get enough  
Seems I want you more with every passing day  
I'm just a fool  
When I'm with you  
It doesn't matter where we are just hold me  
Don't let go  
I'll listen close  
My heart is singing  
A symphony of love, baby

Ooo, what you do to me baby  
The little things you do keep me you  
Ooo, what you do to me baby  
Everyday together just gets better  
Ooo, what you do to me baby  
Ooo, what you do to me baby  
Everyday together just gets better

Ooo, what you do to me baby  
The little things you do keep me loving you  
Ooo, what you do to me baby  
Gonna spend my time lovin' you

Girl, I act a fool  
When it's me and you  
Baby, can't you see  
What you do to me

You got me on cloud  
And I'm not coming down  
Baby don't stop the magic  
'Cause you are my fantasy

Ooo, what you do to me baby  
The little things you do keep me loving you  
Ooo, you do baby  
Everyday together just gets better

Got a lot  
Lot of lovin' baby  
You got my number  
Rang me every mornin'
