

# I'll Never Find Another You

Al Martino

There's a new world somewhere  
They call The Promised Land  
And I'll be there some day  
If you will hold my hand  
I still need you there beside me  
No matter what I do  
For I know I'll never find another you

There is always someone  
For each of us they say  
And you'll be my someone  
For ever and a day  
I could search the whole world over  
Until my life is through  
But I know I'll never find another you

It's a long, long journey  
So stay by my side  
When I walk through the storm  
You'll be my guide, be my guide

If they gave me a fortune  
My treasure would be small  
I could lose it all tomorrow  
And never mind at all  
But if I should lose your love, dear  
I don't know what I'll do  
For I know I'll never find another you

[Instrumental Interlude]

But if I should lose your love, dear  
I don't know what I'll do  
For I know I'll never find another you

Another you, another you
