

## Wrong Is Right

Alabama 3

If I wake up in the morning  
and I say it's a fucking  
beautiful day today  
would you tell me not to use  
the language that way  
Is that wrong?  
If I throw myself threw a  
window and I've had fun doin' it  
and I've cost a lot of people  
a lot of money  
is that wrong?  
If I go out with a girl one  
night and I don't happen to  
treat her right  
and she goes running back  
home to her mum  
is that wrong?  
and if I get into a fight that  
I shouldn't have got into with  
someone in the first place  
and he ends up beatin' the  
shit outa me  
is that wrong?

Taking a motor scooter into a  
football ground in 5000 pieces  
is wrong and throwing it onto  
the pitch when your team are down,  
is that wrong?  
If taking all your apples to  
market knowing that they're full of holes rotten to the  
core and you still sell them  
and people want more

is that wrong?  
If you grind your teeth in  
the movies when everybody's  
trying to watch the picture  
and they can hear nothing but you  
is that wrong?  
If you happen to be high at  
the time and it ain't you in someone  
else's mind and you can't help yourself  
is that wrong?  
now

Wrong is Right  
If you're at a party in a basement and you let off a  
percussion grenade and  
three people need to buy  
themselves hearing aids  
is that wrong?  
If you run screaming naked  
down in the road  
screaming for a fix  
crying I'm the toad  
I don't know what's

the middle of the road  
will it hit me?  
will I bend?  
I don't know this is probably the end  
no  
Is that Wrong?  
Now  
Wrong is Right
