

Someday

Alabama Shakes

Someday
Has come today
Everything I believe
It really happenin'
I'd like a friend
I come from a place where
Everything I can dream
Angels, make-believe

Yeah, right, this can't be real life
This can't be real life
Oo, oo-wah-oo
(Oo-wah-oo)

In a fantasy
I used to be
Wastin' all that time
Relatively blind
I used to sink into the nothing
"Well look at all this"
I got to reply

Yeah right, this can't be real life
This can't be real life

You, oo-wah-oo
(Oo-wah-oo)

Yeah right, this can't be real life, oh no
Oh shit, this can't be it
This can't be real life
