# Wasn't Through Lovin' You Yet

**Alabama**

Look at the mess we made
A couple of clowns we are
Look at the hearts we break
Going 'round and 'round we are
I'll make it alright, make it alright baby
Make it alright, make it alright baby
Girl, don't you go, no, don't you dare
I'm not gonna breathe without you in the air
Don't tell me one dance is, just one dance is all I'm gonna get
Yeah, I wasn't through, wasn't through, lovin' you yet
If a careless word
Baby cut too deep
If I made you cry
If I made you bleed
I'll take it all back, take it all back baby
I'll take it all back, take it all back baby
Girl, don't you go, no, don't you dare
I'm not gonna breathe without you in the air
Don't tell me one kiss is, one last kiss is all I'm gonna get
Well I wasn't through lovin' you yet
Look at the mess we've made
A couple of clowns we are
Look at the hearts we break
Going 'round and around we are
Girl, don't you go, no, don't you dare
I'm not gonna breathe without you in the air
Girl, don't you go, no, don't you dare
I'm not gonna breathe without you in the air
Don't tell me one kiss is, one last kiss is all I'm ever gonna
get
Cause I wasn't through, wasn't through lovin' you yet
I wasn't through, I wasn't through
I wasn't through
I wasn't through loving you, loving you
Well I wasn't through, wasn't through, loving you yet
