

# The Spectre

Alan Walker

Hello, hello  
Can you hear me as I scream your name?  
Hello, hello  
Do you need me before I fade away

Is this a place that I call home?  
To find what I've become  
Walk along the path unknown  
We live, we love, we lie

Deep in the dark I don't need the light  
There's a ghost inside me  
It all belongs to the other side  
We live, we love, we lie

Hello, hello  
Nice to meet you, voice inside my head  
Hello, hello  
I believe you, how can I forget?

Is this a place that I call home?  
To find what I've become  
Walk along the path unknown  
We live, we love, we lie

Deep in the dark I don't need the light  
There's a ghost inside me  
It all belongs to the other side  
We live, we love, we lie
