

# Utopia

Alanis Morissette

- Dmi** **C**  
1. We'd gather around all in a room  
**Dmi** **C**  
fasten our belts engage in dialogue  
**Dmi** **C**  
we'd all slow down rest without guilt  
**Dmi** **C**  
not lie without fear disagree sans judgement
- Dmi**  
We would stay and respond and expand and include  
**C**  
and allow and forgive and  
**Dmi**  
enjoy and evolve and discern and inquire and accept  
**C**  
and admit and divulge and open and reach out and speak up
- F** **C**  
R: This is utopia this is my utopia  
**F** **C**  
This is my ideal my end in sight  
**F** **C**  
Utopia this is my utopia  
**F**  
This is my nirvana  
**C**  
My ultimate
- Dmi** **C**  
2. We'd open our arms we'd all jump in we'd all  
**Dmi** **C**  
coast down into safety nets  
**Dmi**  
We would share and listen and support and welcome  
**C**  
be propelled by passion not invest in outcomes  
**Dmi**  
we would breathe and be charmed and amused by difference  
**C**  
be gentle and make room for every emotion
- R: This is utopia...
3. We'd provide forums  
we'd all speak out  
we'd all be heard  
we'd all feel seen
- We'd rise post-obstacle more defined more grateful  
we would heal be humbled and be unstoppable  
we'd hold close and let go and know when to do which  
we'd release and disarm and stand up and feel safe
- R: This is utopia...
