

# Everybody Wants to F\*\*k Me

Alaska Thunderfuck

There was a time I was anonymous  
But now I'm well into the populous  
I always hoped that it would come to this  
Godzilla stomping's a metropolis

How did you do it, it's ridiculous  
I took a well-lit photo of my ass  
And now my style has reached critical mass  
A perfect image from behind the glass

I spend all day looking at pictures of myself  
Looking at pictures of myself  
Looking at pictures of myself  
I spend all night looking at pictures of myself  
Looking at pictures of myself  
Looking at pictures of myself, cause

Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody, (everybody) everybody, (everybody)  
Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody, (everybody) everybody, (everybody)  
Everybody wants to f\*ck me

My thumb's going numb from all the sosch-  
My thumb's going numb from all the sosch-  
My thumb's going numb from all the sosch-  
From all the sosch, from all the sosch  
My thumb's going numb from all the sosch-  
My thumb's going numb from all the sosch-  
My thumb's going numb from all the sosch-  
From all the sosch, from all the sosch

In olden times I would've been a whore  
But now there's no distinction anymore  
Ten millions followers but who's keeping score  
Just use my body cause that's what it's for

I spend all day looking at pictures of myself  
Looking at pictures of myself  
Looking at pictures of myself  
I spend all night looking at pictures of myself

Looking at pictures of myself  
Looking at pictures of myself, cause

Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody, (everybody) everybody, (everybody)  
Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody, (everybody) everybody, (everybody)  
Everybody wants to f\*ck me

They say that privacy is obsolete  
From the outside it looks oh so sweet  
100,000 likes but I still don't feel complete  
200,000 likes but I still don't feel complete  
100,000,000 likes but I still don't feel complete  
100,000 dollars but I still don't feel complete, but

Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody, (everybody) everybody, (everybody)  
Everybody wants to f\*ck me  
Everybody wants to f\*ck me  
Everybody wants to f\*ck me

Everybody wants to f\*ck me
