

# Getting Kicked Out (Of Micky's on a Monday Night)

Alaska Thunderfuck

Whiskey and wine, drink 'em at the same time  
No I won't wait in line, don't you know who I think I am?  
All Stars 2 winner, didn't I eat no dinner  
Not getting any thinner, just drunk, drunk, drunk

Broke into the dressing room  
Dragula like Frankie Doom  
Spilled a drink on your costume  
Can't remember what I said to you

Probably inappropriate  
Full of piss and full of shit  
Zip me in to your outfit  
I'm about to throw a fit

Mind erased, red in the face  
Drinkin' at a rapid pace, drinkin' at a rapid pace  
Mind erased, red in the face  
Drinkin' at a rapid pace, drinkin' at a rapid pace  
Excuse me, can I please talk to you for a second?

Drink it down, drink it down, drink down  
Drink it down, drink it down, drink down  
Drink it down, drink it down, drink down

Time to sweep the floor-ah, selfie with Kimora  
Jasmine Masters up there rockin' Dora the Explorer  
Morgan McMichaels, Eureka O'Hara  
The management has been alerted, I'm a fucking terror

I'm even too drunk for Cory, don't repeat this story  
I'm hiding bodies in the closet like I'm Dorian Corey  
Blacking out like Britney, someone's doing Whitney  
Somebody call a Jitney, bae is upset with me

Mind erased, red in the face  
Drinkin' at a rapid pace, drinkin' at a rapid pace  
Mind erased, red in the face  
Drinkin' at a rapid pace, drinkin' at a rapid pace
