Lalalalalalalala  
Lalalalalalalala  
I love your pussy

Hey boy, you know when I first met you  
I knew that you were special that night  
Doo wop bop bop  
You had a little somethin' different  
So warm and so sweet and so right  
Doo wop bop bop  
Haters will hate what we can create  
But I wouldn't change a single thing on you today

I love your pussy  
I think you're pretty  
I love your pussy  
Don't you?

I love your pussy  
If you were with me  
I would be so good to you

Lalalalalalalala  
Lalalalalalalala  
Lalalalalalalala  
I love your pussy

Whisper sweetly in my ear,  
Eat pizza, watch Golden Girls  
Doo wop bop bop  
We fit so perfectly together  
You opened up my whole wide world  
Doo wop bop bop

I love your pussy  
I think you're pretty  
I love your pussy  
Don't you?

I love your pussy  
If you were with me  
I would be so good to you

Sometimes people are crazy  
Sometimes people are mean  
But as long as you're you  
And as long as I'm me  
Then that's all that we need to be

I don't care if you're a boy who used to be a girl  
Or a girl who used to be a boy  
All I care about is you right now  
Cause aren't we all just something a little bit inbetween?  
I love hearts not parts

I love your pussy

I think you're pretty  
I love your pussy  
Don't you?

I love your pussy  
If you were with me  
I would be so good to you

Sometimes people are crazy  
Sometimes people are mean  
But as long as you're you  
And as long as I'm me  
Then that's all that we need to be
