

The Land of the Midnight Sun

Alaska Thunderfuck

I'm sorry I didn't tell you I was leaving
I know I was wrong
I'm sorry I didn't tell you what I needed to tell you
I'm already gone

They say there's a land where the sun don't set at all
They say there's a land where the snowflakes love to fall

To the land of the midnight sun
I will run, I will run
I will run, I will run
I will run
In case, no, I ain't got one
I will run, I will run
I will run, I will run
I will run

I'm sorry I didn't tell you it was over
And it's been so long
I'm sorry I didn't tell you what I needed to tell you
I'm already gone

They say there's a land where the sun don't set at all
They say there's a land where the phone won't take the call

To the land of the midnight sun
I will run, I will run
I will run, I will run
I will run
In case, no, I ain't got one
I will run, I will run
I will run, I will run
I will run

I keep on running, keep on running
Keep on running, keep on running
Keep on running, ayy
Yeah, keep on running, keep on running
Keep on running, keep on running
Keep on running, ayy
I keep on running
To the land of the midnight sun
I will run, I will run
I will run, I will run
I will run

To the land of the midnight sun
I will run, I will run
I will run, I will run
I will run
In case, no, I ain't got one
I will run, I will run
I will run, I will run
I will run
