

Vagina

Alaska Thunderfuck

Time's up, time's up
Hands up, bow down to vagina
Time's up, time's up
Hands up, bow down to vagina
To vagina, to vagina
Hands up, bow down to vagina
To vagina, to vagina
Hands up, bow down

I take a look around the world and it blows my mind
Men have f*cked up this planet since the dawn of time
What, Noah's Ark-y, such malarkey
Brick by brick we disassemble the patriarchy
Cause we've had enough and it's gonna be tough
But these 10-inch hooker boots they were made to be scuffed
They say we'll never ever win but we're calling their bluff
Cause like Stefani Germanotta, bitch I like it rough

Stand back, ready to attack
Sit your ass down cause that p*ssy grab back
Stand back, skulls they gonna crack
Sit your ass down cause that p*ssy grab back

Time's up, (Hey!) time's up (Hey!)
Hands up, bow down to vagina
Time's up, (Hey!) time's up (Hey!)
Hands up, bow down to vagina

We're taking down Weinsteins left and right
Catch me at the Women's March, p*ssy hat screwed tight
Feminine rage, she's about to erupt
Cat-calling piece of shits need to shut the f*ck up
Cause I worship define feminine beauty

Adam take a seat cause Miss Eve is on duty
"But I thought without men then we couldn't have babies"
Well on Jurassic Park all the dinos were ladies

Stand back, ready to attack
Sit your ass down cause that p*ssy grab back
Stand back, skulls they gonna crack
Sit your ass down cause that p*ssy grab back

Time's up, (Hey!) time's up (Hey!)
Hands up, bow down to vagina
Time's up, (Hey!) time's up (Hey!)
Hands up, bow down to vagina
To vagina, to vagina
Hands up, bow down to vagina
To vagina, to vagina
Hands up, bow down

We're not afraid, we're f*cking brave, brave, brave
We're not afraid, we're f*cking brave, brave, brave
We're not afraid, we're f*cking brave, brave, brave
We're not afraid, we're f*cking brave, brave, brave
The future is feminine

I said the future is feminine
Which side of history are you on?

Time's up, (Hey!) time's up (Hey!)
Hands up, bow down to vagina
Time's up, (Hey!) time's up (Hey!)
Hands up, bow down to vagina
To vagina, to vagina
Hands up, bow down to vagina
To vagina, to vagina
Hands up, bow down
