

## Kree Nakoorie

Alcatrazz

Masters of the world hidden from our eyes  
In the sun we grew sharing the same light  
Elegant warrior my gun and your spear  
Killers that keep our lives apart

Pictures from the air stole away your souls  
Aerobatic thieves photographic freeze  
Lead by the legend of Kree Nakoorie  
The man that hides away from man so  
hard to understand

Flying bladed ships carried us to you  
As you walked away trees obscured our view  
Scared by the legend of Kree Nakoorie  
The man that hides from all the world  
The masters of the world
