

No imagination

Alcatrazz

You stood roadside Long legs heels far too high Looking like so
me perfect star Who's the one this act is for? You might scare
young boys to death With your backstreet cabaret But I read you
so long ago The book's been out to play

'Cos you got no imagination Though you look like a real fine br
eaker No imagination A straight ride no Kama Sutra

No bills name cards Fast love soft touch got it fast

'Cos you think you've hit a hardline hook You don't get no seco
nd looks When you think you're boxin' clever You don't never kn
ock 'em out I see you no more no What you're tryin' 'em out 'Co
s you got no imagination Though you look like a real fine break
er No imagination A straight ride on Kama Sutra

No imagination Sterilized and medicated No imagination

You stood roadside Long legs and those heels They scare young b
oys to death With your backstreet cabaret But I read you so lon
g ago The book's been out to play

You got no imagination Sterilized and medicated No imagination
Open wide and get it finished No imagination Though you look li
ke a real fine breaker No imagination Straight ride no Kama Sut
ra No imagination Sterilized and medicated No imagination
