

That Ain't Nothin'

Alcatrazz

Your smile's synthetic as your money
I'll sign a paper check for you
Like one more joint can save her
She's thick enough to be tattooed by you
Keeps all the wrong hearts tied and branded
You cage me up inside your zoo
But I'll never be domesticated
This ten foot tiger's out to get you
'Cos I know you're sayin' somethin'
But that ain't nothin' at all
It ain't nothin', nothin' at all
When you speak those words
You're sayin' somethin'
But that ain't nothin' at all
That ain't nothin', nothin' at all
Nothin'
Stop feelin' that it's sophistication honey
That high seduction leads me on, leads me on
When you call my prayers shatter
Just another brother, one more John
That's all I am to you
And you must be sayin' something
But it ain't nothin' at all
It ain't nothin', nothin' at all, no way
You must be feelin' somethin'
But it ain't nothin' at all
It ain't nothin' at all, nothin' at all
Nothin'
If I could see for a thousand miles
Through your perfect mask
I'd have enough of lovers
To last
It ain't nothin' at all, nothin' at all Nothin'
