Monster

Aldious

Don't know how much I'm feeling
Don't know whether to can change or not
But now I know
Don't think I'm going to be okay

Don't know how much I'm feeling
Don't know whether to can change or not
But now I know
Like a lonely monster

What should I do?
What's wrong with me?
Help me oh help me if there is a god

Don't know how much I'm feeling
Don't know whether to can change or not
But now I know
Like a crazy monster

What should I do?
What's wrong with me?
Just make it easy if there is a god
