

# Cry Baby Cry

Aldo Nova

You think that love is just a fool's game  
I'm not so sure you may be right  
But every game has got its rules, baby  
By which we judge the wrongs and rights  
Oh, yeah

I think it's time  
For us to draw the line  
'Cause what gave you the right  
To make me cry?

Oh, lie, don't lie to me, baby  
I told you before, I'm drawing the line  
So cry, but don't cry to me, baby  
I told you before, you're wasting your time

So now you look at me with sad eyes  
And hoping that I'll hesitate, oh no  
But now I've heard enough of your lies  
I'm telling you, you're a bit too late  
Oh yeah

I think it's time  
For us to draw the line  
'Cause what gave you the right  
To make me cry?

Oh, lie, don't lie to me, baby  
I told you before, I'm drawing the line  
So cry, but don't cry to me, baby  
'Cause I told you before, you're wasting your time

Don't cry to me, baby, no more  
Don't you cry to me, baby, no more  
You think that I'm crazy  
Cry to me, baby, no more  
No more  
No more

Oh, lie, don't lie to me, baby  
I told you before, I'm drawing the line  
So cry, but don't cry to me, baby  
'Cause I told you before, you're wasting your time

Don't cry to me, baby  
Cry to me, baby, no more  
Don't cry to me, baby  
Think that I'm crazy  
But no more  
No more  
No more
