## **Father And Son**

**Aled Jones** 

Its not time to make a change, Just relax, take it easy. You're still young, that's your fault, There's so much you have to learn. Find a girl, settle down, If you want you can marry. Look at me, I am old, but I'm happy.

I was once like you are now, and I know that it's not easy, To be calm when you've found something going on. But take your time, think a lot, Think of everything you've got. For you will still be here tomorrow, but your dreams may not.

How can I try to explain, when I do he turns away again. It's always been the same, same old story. From the moment I could talk I was ordered to listen. Now there's a way and I know that I have to go away. I know I have to go.

It's not time to make a change, Just relax take it easy. You're still young, that's your fault, There's so much you have to learn. Find a girl, settle down, If you want you can marry. Look at me, I am old, but I'm happy.

All the times that I cried, keeping all the things I knew insid e, It's hard, but it's harder to ignore it. If they were right, I'd agree, but it's them they know not me. Now there's a way and I know that I have to go away. I know I have to go.
