

# A World Alone

Alex Band

I'm waiting  
I'm fading fast  
I don't know how much longer I can last  
I'm calling  
Out to you  
Come save me  
Tell me what am I to do

You're all that I am  
And all that I want is you

So take my hand  
Pull me through  
Deep inside your eyes  
I finally found the truth  
So hold me close  
Don't let me go  
Cause a life without you is a world alone  
A world alone

Well within me  
Your pieces fit  
Inside you  
The chemicals between us mix  
There's no more time  
They've got me falling  
But you've got me crawling  
To prove

You're all that I am  
And all that I need is you

So take my hand  
Pull me through  
Deep inside your eyes  
I finally found the truth  
So hold me close  
Don't let me go  
Cause a life without you is a world alone  
A world alone

Cause a life without you is a world alone  
Cause a life without you is a world alone

So take my hand  
Pull me through  
Deep inside your eyes  
I finally found the truth  
So hold me close  
Don't let me go  
Cause a life without you is a world alone  
A world alone

A life without you is a world alone  
A life without you is a world alone
