

# She's Mine

Alex Cameron

Lovers having short careers, I wonder if they harbor fears  
Of quickly gaining way too much, and slowly, slowly losing touch  
Lovers having short careers, it's like they never use their ears  
To listen to listen to their beating chests, they pound like elevated  
nests

In the wind (it's just)  
And the rain (it's just)  
It's just water (it's just)

In the wind (it's just)  
And the rain (it's just)  
She's mine (it's just)

Lovers hide amongst their peers, their hearts leak blood like droppin  
g tears  
They beat themselves into a state, confused and lost without a mate  
Lovers hide amongst their peers, the boos starts drowning out the che  
ers  
'Cause when you're fucking with your fate, you can't take no on the f  
irst date

In the wind (it's just)  
And the rain (it's just)  
It's just water (it's just)

In the wind (it's just)  
And the rain (it's just)  
She's mine (it's just)

It's just water  
Taste it  
I promise  
It's just water

It's just water  
Taste it  
I promise  
It's just water

It's just water  
Taste it (it's just water)  
I promise (it's just water)  
It's just water

It's just water  
Taste it (it's just water)  
I promise (it's just water)  
It's just water
