

# The Hacienda

Alex Cameron

A baby cries at The Hacienda  
A baby cries at The Hacienda  
You know they only stop when they want to, no surrender  
Because they only stop when they want to at the Hacienda

Countdown to diabetes at the Hacienda  
Countdown to diabetes at the Hacienda  
You know they don't even stop when they have to, no surrender  
Because they only stop when they want to at The Hacienda

I could write and tell you how I'm all blue  
While I'm tangled up in sheets treating women to my pay per view  
w  
But then I wonder what good that'll do  
There's days I do my cheating with this beautiful L.A. Jew

I needed some romancin' so I went and had my ten dollar crew  
Now I'm looking at my baby and she's looking like a ten dollar view  
And I have tasted pussy, tasted half as sweet, is sweeter than you  
It's you-u-u-u

No moleste, por favor at The Hacienda  
"No moleste" on the door at The Hacienda  
And then he went till she was raw, baby, no surrender  
Because they only stop when they want to at The Hacienda

Maybe one day you could send me some nudes  
I could agitate myself to the memory of rolling with you  
Still I wonder what good that'd do  
These days I do my cheating with this beautiful landlady Jew

I needed some romancin' so I went and had my ten dollar crew  
Now I'm dancing with my baby and she's looking at the ten dollar view  
And I ain't missed a pussy like I missed the one that came out of you  
It's you-u-u-u

No mirame, cuando lloro
