I'm leavin 4 a destination I still dont no, sumwhere nobody must have beautys at all Gaudino and if u like us u can follow me so lets go; Magic follow me and lets go to the place where we belong and leave our troubles at home Destination come with me we can go to a paradice of love Songtexte enjoy a - destination unknown...

Now I wont feel thoses heavy shoulders no more
Songtext my life got better now I finally enjoy
yes all the people wana come here and so
Lyrics come on and join us you can do that now lets go
Lyric follow me and lets go
to the place where we belong
Liedertexte and leave our troubles at home
come with me
we can go to a paradice of love
Liedertext enjoy a - destination unknown...

We left the city the pollution the crowd,
Alle the air is clear here oceans blue I love that sound.
Alex Where happy on this destinatin we found
and if u want us you can follow me.
Gaudino Lets go,
follow me and lets go
to the place where we belong and leave our troubles at home
Magic come with me
we can go to a paradice of love
Destination enjoy a - destination unknown..
