

# Hold Me Tight

Ali Campbell

I don't wanna hear no more fussing and a fighting  
Baby, hold me tight  
Let's let bygones be bygones lets think about tomorrow girl  
Our futures bright yeah  
I know I was wrong but I was just a fool  
Too blind to see you were the only girl for me  
Oh But now I see the light everything's gonna be alright  
Baby hold me tight yeah

Ba ba baba ba baba (etc)

I know I was wrong but I was just a fool  
Too blind to see you were the only girl for me  
Oh But now I see the light everything's gonna be alright  
Baby, hold me tight yeah

Ba ba baba ba baba (etc)
