

I Think

Ali Gatie

Tell me what you wanna hear
I'll be right here
I'll wait for you
I'll wait a year
I've waited two (long)
I'll wait a lifetime
For you
I won't waste my time
I don't mind waiting a long while
I don't mind seeing you
Happy if your not mine
But I rather make it work
Baby this feel like a curse
You been
On my mind
Ever since

I really love loving you
I really think you love it to
Baby tell me what I gotta do
I'm in love with loving you

I want youuuu
I think you want me too
I just think that your scared
Baby tell me what's your fear
I'm waiting right here
I'm down to wait a year
Let me keep it clear
Baby what's the deal
I want you here

I'll wait a lifetime
Just to see you shine
I'll wait a lifelong
Just to make you mine
I'll wait a decade
Cause your worth the wait
The way you play
I love the way you move
The way you grove
I'm tryna be your man
Your favourite dude

I really love loving you
I really think you love it to
Baby tell me what I gotta do
I'm in love with loving you
